**Initial Setup**

Turn On the unit and your TV, then select the input on your TV.

- Language Selection
- Voice Guide Setting

**Network Setup**

- HDMI CEC Setting
- Automatically Check Software

**Troubleshooting**

- No power
- No sound or distorted sound
- No reaction to the remote
- Connection failure
- Cannot play a disc
- Incorrect password

If you do not find a solution above, please visit our website (www.magnavox.com/support) for the Online Owner’s Manual.

Please download it and then refer to “TROUBLESHOOTING” section for more information. If additional support is required, please contact our Customer Service at 1-866-341-3738.

---

**Connections**

Wireless and Wired Connections

You need to configure network settings in order to use Internet services.

- **Wireless Broadband Router**
- **Modem or Router**

**Network Setting**

- **Disc/USB/Setup**
- **HOME Menu**
- **NETFLIX/VUDU**

**Remote Control**

1. POWER-ON
2. CURSOR
3. OK
4. MODE
5. PLAY/PAUSE
6. SUBTITLE/AUDIO
7. OPEN/CLOSE
8. HOME
9. RETURN
10. YouTube/NETFLIX/VUDU

Scan the QR code to download our mobile app.

**Network Setup**

If your router has a PBC (Push Button Configuration) button, you can use “PBC” which is the easiest way to set up a wireless connection.

If your router does not have it, please use the “Scan” setup.

**Network Setting**

- **Enter the password of your wireless router**
- **Please press PBC button on your access point**

If your router is a WPS (Wi-Fi Protected Setup) compatible router, you can use WPS on your wireless router.
Saftey Instructions

CAUTION: TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT REMOVE THIS COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.

The lightning flash with arrowhead symbol, within an equilateral triangle is intended to alert the user to the presence of uninsulated “dangerous voltage” within the product’s enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the appliance.

Instructiones de Seguridad

El modelo y el número de serie de esta unidad se pueden encontrar en la caja. Deben anotar y guardar el modelo y el número de serie para consultarlos, si los necesita, en el futuro. Consulte la LIMITED WARRANTY para mayor información.

Instructions des Garanties

The model and serial numbers of this unit may be found on the bottom or rear panel of the cabinet. You should note and retain these numbers for future reference. Please refer to the LIMITED WARRANTY for more information.

El símbolo del rayo con punta de flecha, en el interior de un triángulo equilátero, tiene la finalidad de avisar al usuario de la presencia de importantes instrucciones de operación y mantenimiento (servicio técnico) en el manual de instrucciones que se entrega con el aparato.

CAUTION: TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.
