- Product dimensions (W x H x D): 280 x 41 x 198.5 mm
- Product weight (lb): 2.2 lb
- Product weight: 1.0 kg
- Packaging (W x H x D): 13.6 x 3.3 x 10.7 inch
- Packaging dimensions (W x H x D): 344 x 83 x 271 mm
- Weight incl. Packaging: 3.1 lb
- Weight incl. Packaging: 1.4 kg

Blu-ray Disc Playback

Blu-ray Discs have the capacity to carry high definition data and provide images in full HD 1920 x 1080 resolution. Scenes come to life as details leap at you, movements smoothen, and images turn crystal clear. Blu-ray also delivers uncompressed surround sound so your audio experience becomes unbelievably real. The high storage capacity of Blu-ray Discs also allows a host of interactive possibilities to be built in. Seamless navigation during playback and other exciting features like pop-up menus bring a whole new dimension to home entertainment.

Enhanced Accessibility

Enhanced Accessibility enabled products provide a more user friendly experience for visually and hearing impaired people to enjoy MAGNAVOX televisions and home video players. With features such as a voice guide menu, easy to read and navigate user interface, raised guide dots on key remote control buttons and large format support information so visually impaired people can reach customer care; MAGNAVOX cares about accessibility and wants everyone to enjoy television.

Energy Star

Energy Star-labeled home electrical products are designed to use less energy - saving you money while reducing environmental pollution. In fact, Energy Star-compliant products consume less than 1 watt of power while in standby mode. This is achieved by having low standby power consumption through innovatively designed standby circuitry and stringent selection of components made with high efficiency materials.
