STEREO HEADSET
with Bluetooth® Wireless Technology

OWNER'S MANUAL

PLEASE READ BEFORE OPERATING THIS EQUIPMENT.

MODEL: MBH513

FCC NOTICE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC WARNING:

This equipment may generate or use radio frequency energy. Changes or modifications to this equipment may cause harmful interference unless the modifications are expressly approved in the instruction manual. Modifications not authorized by the manufacturer may void user's authority to operate this device.

LOCATION OF CONTROLS:

1. Power ON/OFF Switch
2. **+** Volume Up Button
3. **-** Volume Down Button
4. **)** Button with Indicators
5. **⏮** Skip Backward Button
6. **⏭** Skip Forward Button
7. **⏸** Play / Pause Button
8. Micro USB Port (For Charging Only)
9. Earbuds
10. Magnetic Earbuds Holder

POWER SOURCE:

The unit has a built-in Li-ion rechargeable battery; recharge it before use or when battery is drained as follows:

1. Open the rubber cover on the Micro USB Port.
2. Connect the Micro USB Plug from the supplied connection cable to the Micro USB Port.
3. Connect the full sized USB Plug from the supplied USB Connection Cable to the USB Port on the Computer or USB Charger. (Computer and USB Charger NOT supplied).
4. During charging, the Red Charging Indicator around the  Button will illuminate. When finished charging, it will turn off.

Notes:

Your battery will last longer if you're following these simple guidelines for caring and storing.

- A. Before first time use, charge it approximately 4 hours until the unit is fully charged.
- B. Recharge and store the unit within the temperature range of 5°C~35°C (40°F~95°F).
- C. Do not charge longer than 24 hours. Excessive charging or running the Charger and/or Earpieces until battery fully drains will damage battery. Battery life will be extended if you keep the battery fully charged.
- D. Battery life naturally shortens slowly over time.
- E. The rechargeable battery incorporated in this product is not user replaceable.

OPERATION:

BT (Bluetooth) Pairing:

The first time you use the unit or pair it to a new Bluetooth Device, pair it as follows:

1. Power on the unit by sliding the Power ON/OFF Switch to ON position. The Blue and Red Indicators around the  Button will illuminate and blink. The unit will vibrate briefly.
2. Power on the external BT Device and enter the BT search mode. Start pairing following on the screen instructions from the external BT Device.

After pairing:

- The Blue Indicator will stop blinking.
 - The Red Indicator will not light up.
 - The unit will vibrate briefly.
3. Play the music in the paired BT Device as usual.
 4. During playback:
 - Press the  or  Buttons on the unit to adjust volume level as desire.
 - Press the  Button to pause: press again to resume normal playback.
 - Press the  or  Buttons to skip tracks.
 - Press and holding the  or  Buttons to fast search.
 5. If the unit is paired to a Cell Phone and a call is received while listening to music, press and release the  Button to pause the music playback then use the built-in Microphone to answer the call. When your call is complete, press and releases the  Button to resume music playback.

- When finished listening, slide the Power ON/OFF Switch to OFF position to shut off the unit. Place the Earbuds to the magnetic holder as illustrated below:

Notes:

- When the external Bluetooth Device searched the unit, our model number “MBH513” will appear on the display of external Bluetooth Device.
- Pairing code “0000” or “1234” may need to enter.

Normal Operation After Pairing:

1. Power on the unit by sliding the Power ON/OFF Switch to ON position. The Blue and Red Indicators around the  Button will illuminate and blink. The unit will vibrate briefly.
2. Power on the external BT Device and enter to BT mode.
3. Wait a few seconds until the unit auto pairs to the external BT Device. Then:
 - The Blue Indicator will stop blinking.
 - The Red Indicator will not light up.
 - The unit will vibrate briefly.
4. Play music in the paired BT Device as usual.

TROUBLESHOOTING:
